

New Forest Pony Society of North America
Year End Award Rules
(updated 2012)

The New Forest Pony Society of North America is proud to sponsor a year-end award program. There are many categories members can participate in to earn points toward Year-end /Lifetime Achievement awards for registered New Forest Ponies. To be considered for awards and lifetime achievement awards the following rules must be adhered to.

Eligibility

Ponies must be registered with the New Forest Pony Society of North America and a copy of the registration papers must be submitted to the appropriate point secretary with the first show report. See last page for names and addresses.

Owners of ponies must be members in good standing of the New Forest Pony Society of North America with dues having been paid in full before the date of the event for the points to be counted (in the case of equitation classes the rider will be scored points as long as he/she is a member in good standing). Riders/Handlers must be members in good standing to receive points for Rider/Handler/Equitation. (See membership enrolment form for membership information.)

Year-end award points will be counted from January 1- December 31 of the current year. In case a show opens before or closes after the point accumulation deadlines, the entire show will count in the same year. For example if a show starts on December 31 and goes to January 3 the points will count in the year the show began.

Ponies must be signed up for Lifetime Achievement. This is a once in a lifetime fee of \$20 and LTA Application form that must be completed prior to the first Show Report Form.

Show Reports

Show reports must be completely filled out and mailed to the point secretary within 90 days of the end of the event and by Jan 15th of the following year. A copy of the pony's registration must accompany the first report for the year. A copy of the class list must be attached to each show report and must include the name, date and location of event and any ratings given to the event (USEF "AA, A, B, C and unrated" or Equine Canada "Bronze, Silver, Gold, Platinum and unrated"). If the rating is not stated clearly on the documentation sent in, or no documentation is included, only unrated points will be awarded.

Show reports must be legible and completely filled out. Incomplete reports will not be counted.

Points for dressage will only be awarded if a copy of the page of the test is included showing the score.

Junior exhibitors are under the age of 18 as of January 1. Juniors include date of birth on each show report.

Point Scoring

Points will be awarded based on placing, rating of show and in the case of dressage, test score regardless of placing.

Shows sanctioned by the following organizations will count as A, AA, B & C rated or Bronze-Platinum rated:
